GREENWEEKS 2007

Saturday 26 May to Sunday 17 June

EVENTS ARE STILL COMING IN - KEEP CHECKING THE WEBSITE!!

Other events to look out for during Greenweeks:

- Open days and guided walks with Nottinghamshire Wildlife Trust
- Farmers markets and country markets
- Broxtowe Borough Council's programme of Walks and Talks
- Notts County Council's Walks
- Ashfield District Council's Guided Walks
- Rural Rides
- Bike Week
- Architecture Week
- Nottingham City Council is supporting a Summer Festival of events at the Arboretum,

including Audio-Massage in the park, Hello! Festival, Nottingham Live Music Festival.

If you are looking for an opportunity to do some environmental volunteering contact **Caty Collier** at NCVS 0115 934 8423.

For all details on events and to contact individual contributors, please go to www.greenweeks.org. Alternatively, contact **Victoria Chappell** or **Clare Nubel** (Tuesdays and Wednesdays). Tel 07960 820643 or email info@greenweeks.org

Welcome to our preview of Greenweeks 2007, offering you a taste of what's to come (bigger and better than before) and shining a light on a Greener, Greater Nottingham.

For those of you new to Greenweeks: we are a diverse partnership of individuals and organisations who come together each year to promote and celebrate a wide range of projects and initiatives that are making our city, conurbation and county cleaner, greener and healthier. We do this by putting on over 100 events throughout Greater Nottingham in partnership with a wide variety of local groups, charities, businesses and councils. We very much hope you'll find ways to take part in this year's programme.

You can find full details (including contact details, how to book stalls, accessibility, locations, and directions by public transport, times etc) about these events and more at www.greenweeks.org. You can also add your own event if you so wish.

If you don't have access to a website, please ring 07960 820643 and we'll arrange to send information out to you. Local press, radio and council websites will also feature upcoming events.
